ECMA

Standardizing Information and Communication Systems

**To the Members of the
General Assembly**

Geneva, April 2001

Dear Sirs,

On the ECMA FTP server in the TC39 directory you will find the following final draft for a new Technical Report:

ECMA/TC39 /01/7   ECMAScript 3rd Edition Compact Profile

This document has been unanimously approved by TC39 at their 11th meeting in Kona in March 2001 for submission to the 81st General Assembly for vote as an ECMA Technical Report in June 2001.

Yours faithfully,

J. van den Beld
Secretary General
