To the Members of the
General Assembly

Geneva, April 2004

Dear Members,

On the ECMA FTP server in the TC39 directory, you will find a draft standard for adoption at the 87th General Assembly in June 2004:

- ECMAScript for XML (E4X) Specification (TC39/2004/10)

This draft was unanimously approved by TC39 at its meeting in Melbourne, Victoria, Australia in March 2004.

Similarly, TC39 recommended to the General Assembly that the above proposed Standard be submitted to ISO/IEC JTC1 as DIS via the fast-track procedure.

Yours faithfully,

J. van den Beld
Secretary General
