To the Members of the

Geneva, October 2005

Dear Representatives,

On the Ecma Website in the TC39 directory, you will find two final drafts for adoption at the 90th General Assembly in December 2005:

These drafts were unanimously approved by TC39 at its meeting in September 2005.

Similarly, TC39 recommends to the General Assembly that the first edition of the Ecma Standard "C++/CLI Language Specification" be submitted to ISO/IEC JTC 1 for approval as new ISO/IEC Standard under the JTC 1 fast-track procedure.

Yours faithfully,
