

ECMA TC39 TG1
April 28, 2005

Teleconference

Attendees

- Francis Cheng
- Edwin Smith
- Bill Schulze
- Jeff Dyer

Agenda

- Review latest changes to ISO E4X draft
- Next steps for ISO standard

ISO E4X Review

- Give names to the punctuation characters in the lexical grammar (8.3) productions. [Action: Francis]
- Add “opt” subscript to symbols in semantics to match those in the syntax (11.1.4) [Action: Francis]
- Add definitions to the definitions section (3) [Francis]
- Make change to address the first Ecma comment regarding `[[InScopeNamespaces]]` [Jeff].

Next steps

- Final review of final draft of DIS and disposition of comments
- Send sneak preview to Japan representative to see if they will change vote to YES
