Minutes of the:	*Ecma TC39-TG1*
held in:	*Phone Conference*
on:	*19th January 2006*

Attendees

- Graydon Hoare, Mozilla Foundation
- Jeff Dyer, Adobe Systems

Notes

- next set of meeting locations scheduled, feb, march, april.
- discussion of proposal to encode semantics of traits object with a prototype attribute
  - general consensus that it is possible, but further detail needed
- discussion on type operators, is-as-to
- went through the A/B/C task list in excel spreadsheet, assigned specific tasks to each organization
- vague suggestions about proposals to make:
  - iteration mechanism
  - unicode fixups
